Hospitals.

In Metro Cities a list of Gipsa PPN hospitals is available for cashless facility. Other Hospitals which do not feature on the lists may be used on reimbursement basis.

In non metro cities there are no Gipsa PPN hospitals hence our TPA s hospital list is available for cashless. Again hospitals not featured in this list may be used on reimbursement basis.

We are preparing a separate mail providing more details about hospital lists. However please note that Hospital Lists are always dynamic therefore it's always better to check this information with our TPA.

Escalation Matrix

This crucially important information is also provided once again by our TPA along with the welcome email.

Please make careful note of the relevant numbers and emails and store them in your phones in case of future requirements
