

## AIR INDIA LIMITED RETIRED EMPLOYEES ASSOCIATION

Dear Members,

Almost every day we learn from newspapers about how individuals lose money, sometimes their life's savings, by falling prey to tricksters.

Online transactions are becoming common in most spheres of our life. Whether it is buying groceries on an E-commerce portal, or transferring funds through NEFT, or relaying our meter reading to Mahanagar Gas, we are all increasingly using the internet.

While the internet brings us several major advantages such as ability to work from the comfort of our home with speed, it also allows crooks and tricksters to reach us with ease.

Level of education, work experience, age profile, gender, whether residing in urban or rural area, none of these factors make any difference. Any one of us could be a target.

With the increase in the number of online financial frauds, Reserve Bank of India set up Reserve Bank Information Technology Private Limited (ReBIT) in 2016 to improve the cyber resilience of the Indian banking industry.

AILREA has arranged a session by Mr. Mahendra Joshi , Vice President, Systems Audit with ReBIT, at 1600 hrs. on **Friday, 29<sup>th</sup> April'22** , in which he will cover the basics such as net banking, mobile banking and card/ATM channel, advising us of how the most frequent financial frauds are perpetrated and give us tips on how to guard ourselves against them.

The session will be held on WebEx and is expected to conclude by 1730 INCLUDING TIME FOR RESPONDING TO QUESTIONS.

Please ensure that you join the meeting well in time, as such virtual

meetings are known to develop connectivity problems with increase in the number of persons logging on.

We hope you will mark the date and time to attend this session and derive maximum advantage from it.

**We recommend that you download the WebEx App in advance so that on the day of the session, you can just join the meeting after entering the meeting ID and the meeting code. If you are downloading the app on your computer, the minimum requirement is Windows 10.**

The WebEx meeting ID and code is:

Meeting number (access code): 2517 611 8629

Meeting password: 3ipYkSVVq28

You can also join from the meeting link.

<https://rebit-india.webex.com/rebit-india/j.php?MTID=mc50014d882981e44a517973e5922dfb6>

We trust you will appreciate and take full advantage of this special learning opportunity arranged by AILREA exclusively for OUR MEMBERS ONLY.
